

Let Us Help...

Grief is not something anyone should deal with alone. We all need support during our times of loss, and that is where Hospice of Rutherford County would like to help. We offer various support groups to individuals who have experienced the loss of someone special to them. Please contact us with any questions you may have about our services. Let us help you in your time of grief.

Rainbows Support

A six-week support group offered in the school for children in the community who have lost a significant person in their lives regardless of the circumstance of the loss.

Individual Counseling

Hospice of Rutherford County provides grief counseling at no cost for any adult, child, or teen in the community who has lost a loved one. Hospice has professional counselors who conduct support groups and individual counseling at the Annette Cash Whitaker Center of Living and within the school system. In addition, Hospice provides educational seminars for groups regarding grief and loss throughout the year.
